

C-4002

Demonstrate the ability to Develop and Approve an Incident Action Plan (ICS Forms 202-206) with attachments

CONDITONS

You are the Incident Commander of a new or continuing incident.

OBJECTIVE

Using the information received from the requesting agency or your predecessor, complete the Incident Action Plan, ICS 202-206 with attachments, for this incident.

TRAINING AND EVALUATION

Training Outline

An incident action plan documents the actions developed by the Incident Commander and command and section staffs during the planning meeting. When all attachments are included, the plan specifies the control objectives, tactics to meet the objectives, resources, organization, communications plan, medical plan, and other appropriate information for use in tactical operations. The incident action plan should at least contain the following:

- a. Incident Objectives (ICS Form 202)
- b. Organization Assignment List (ICS Form 203)
- c. Incident Map (topographic section or sketch)
- d. Assignment List (ICS Form 204)
- e. Radio Communications Plan (ICS Form 205)
- f. Traffic Plan (internal and external to the incident)
- g. Medical Plan (ICS Form 206)

Preparation. An incident action plan is completed following each formal planning meeting conducted by the incident commander and the command and general staff. The incident commander must approve the plan prior to distribution.
